Washington, February 25 .- Follow ing close upon President-Elect Wilson's espousal of the cause of United States citizenship for the people of Porto Rico, Senator Poindexter, of the Senate Committee on Porto Rico, to-day made a favorable report to the Senate on the House bill conferring that right upon the Porto Rican peo-

ple.
The bill passed the House last March, but on the opposition of some of the members of the committee, it in the members of the committee, it had been impossible to get a report on it up to this time. Senator Clarke, of Arkansas, has taken a position against the bill on the ground that it would place Porto Rico in the way of becoming a State, which he thinks would be undestrable.

would be undesirable.

In its report the committee says:

"At the present time these people are in the anamalous condition of being, in their international relations, a people without a country. They have ceased to be subjects of Spain and have not become citizens of the United States. In traveling abroad, they do not have the benefit of the pretection have not become citizens of the United States. In traveling abroad, they do not have the benefit of the protection due to citizens of the United States or any other country. The further in-consistent situation exists in the island gold and old silver; any quantity. E. Consistent situation exists in the island of one class, consisting of citizens of the United States, who have migrated to the island and taken up their residence there.
